

**Be part of our continuing growth story!** GlobeAir is Europe's leading private jet charter offering on-demand flights at affordable rates. We are looking for talented passionate people with the ability to hit the ground running and achieve results. People who work at GlobeAir have an international background, are flexible and thrive in a dynamic and innovative environment. Due to the progressive expansion of our team, we are looking for an experienced and passionate aviation enthusiast to join our ambitious team **Linz (Hörsching), Austria.**

## Flight Operations Officer (f/m)

### JOB DESCRIPTION

- Arranging all services and requesting all permissions which are relevant for the safe operation of the flight
- Determining the most suitable routing with regards to national and international regulations, meteorological conditions, airspace capacity and passenger comfort
- Integrating performance data for the aircraft on the selected routing
- Considering economical aspects such as fuel prices and consumption
- Determining if requested flight is operationally feasible
- Initiate, reschedule, delay or cancel a flight
- Flight monitoring and assistance in case of emergency

### QUALIFICATIONS

- High school or university degree
- Holders of FAA, German or Austrian flight dispatch license are preferred but it is not mandatory
- Minimum of 1 year previous work experience in flight operations is preferred
- Must possess confident and effective interpersonal communication skills
- Ability to make good judgements based on the needs of the company operation, in a very fluid, fast changing environment
- Proven problem solving and decision making ability
- Highly self-motivated and proactive with a willingness to take initiative
- Flexible approach to work to match the operational requirements (shifts, week ends and overtime)
- Very good MS-Office skills and experience working with dispatch software (Astro, PPS Jeppesen)
- Excellent English language skills (both verbal and written), all additional languages are a plus
- Must have the right to live and work in Austria

### WHAT WE PROVIDE

- An exciting and challenging task for ambitious business aviation experts
- A secure job in a successful and growing market
- International environment with a multi-cultural team
- An open and respectful corporate culture characterized by flat hierarchy and open-door-policy
- A refreshing team spirit

**Passion into Profession.**

The working time is 40 hours per week.  
Annual gross salary € 30.800 / € 33.600 for holders of a Flight Operations Officer License (compensation negotiable)
